THE YEARBOOK OF PEORIA HIGH SCHOOL

PUBLISHED BY THE CREST STAFF

Peoria, Illinois . . . 1953

FOREWORD

Television, the ever growing interest of the modern world, is playing a continually larger part in our lives each day. We see the programs which we have known for many years on the radio coming to us in a new and more spectacular manner.

The 1953 CREST STAFF presents to you a vivid picture of Television as we see it; the programs, the actors and the actresses, the Television equipment and the theater life, itself.

Our School Life Section presents the news as it has happened and is happening here at Peoria High School. The plays, the assemblies, and the extra-curricular activities are all represented in it. Each page brings to your mind a picture of some event or bit of news which has taken place during the school year. We see friends' faces and names making news and we see exciting events coming to life before our very eyes in the NEWS CAST.

The faculty, THE DIRECTORS, teach us to work together to make our way in the Television show of life. They help us to study together and to be together, which are things that will be of great importance to us as we begin to make our way in future years.

In the DRAMATIC SHOW we see the pictures of the Seniors, the leaders of Peoria High School. They have grown year by year from the Comedy Show of their Freshman year to the Dramatic Show of this year. With them have grown their ideas, their intellectual abilities, their extra-curricular activities,

and their actions. The actors in the Dramatic Show display a combination of these traits which make the Class of 1953 the best at Peoria High.

THE COMEDY SHOW, THE VARIETY SHOW, AND THE QUIZ SHOW represent the Freshmen, the Sophomores, and the Juniors, respectively. This group of students constitutes over three-fourths of the student body and plays a large part in all school activities. Peoria High would not be such an interesting place if it weren't for the underclassmen whose actions add much to our Television Show of Life.

THE SPECIAL EVENTS PROGRAM shows the varied extra-curricular activities which are sponsored here at Peoria High School. The various clubs and groups sponsored here offer to every student the opportunity for fun and entertainment in the field which he most enjoys.

THE SPORTS CAST gives us a review of the exciting thrills and the ups and downs of every game, meet, and match played during the past season at Peoria High. It has pictures of each team and identifications of its members, plus informals of the team coaches.

All programs must have COMMERCIALS AND SPONSORS to help them finance their productions. Our Business Staff has done a very successful job of securing the needed sponsors whose names appear in the Advertising Section.

The 1953 CREST STAFF invites each one of you to join us as we visit The Television Show of Peoria High School.

To you

We start another exciting year.

School Life Shows the Year's Fun

The First Day of School !!!

To the freshmen it means racing up and down endless corridors and mile-high stairways looking for that classroom that is somehow never there, stacked books, water fountains, and new friends in a new school.

To upperclassmen it means seeing old friends again after the long summer and meeting new ones, tormenting freshmen, wondering how the elections will come out, and planning class activities. This is the Seniors' last year, and in May the greatest class ever will graduate.

Here, in the School Life section, is a record of the 1952-1953 school year. We hope it will bring pleasant memories of Peoria High.

Our team plays a great game.

Homecoming is Huge Success

Central's annual Homecoming was held this year on October 1, 2, 3, and 4. Stunt shows were October 1 and 2, the Juniors taking first prize with their clever version of "Hansel and Gretel".

Friday night Central played Spalding, but lost the game, 14 to 7.

Those who attended the dance Saturday night danced to the music of Freddie Steven's orchestra and enjoyed the clever floor show.

Congratulations to Student Council and committee chairmen for a fine celebration!

Queen Shirlee Keller and attendants Barb Lauderdale, Barb Brown, and Jane Russell reign over Homecoming.

Hansel and Gretel confuse the witch, and the juniors win the stunt show.

Wild Nell, the Pet of the Plains, or Her Final Sacrifice.

Ann, Nancy, and Trayce entertain at the Homecoming Dance.

The Mice of the Class of '53 hold a reunion.

The Circus Clowns and Strongman regain "Victory for the Freshmen."

Sophomore Stunt is set in Toyland.

Characters of Hansel and Gretel.

New students are introduced to Mr. Heghin's famous maps.

A frequent and welcome visitor that livens up a classroom.

Classrooms Focal Point of P.H.S. Life

Naturally the most important part of school is studying. We at Central are fortunate in having so varied a program of studies from which to choose. The shops and special classes, such as cosmetology and office occupations, contribute to a well-rounded educational system.

To the teachers who are equipped with a never-ending supply of patience, we owe a special vote of thanks.

Cosmetology class conspires against men.

"Amo, amas, amat"; Miss Coppock's Latin class tries conjugations.

With watchful eyes upon her, Miss Rice checks grades.

Mrs. Chamness leads the study of a history lesson.

Orthopedic students come to school on the specially built bus.

Miss Matson helps her students with their homework.

Special equipment helps in studying.

Special Classes Aid Students

Two rooms which do a wonderful service are the sight-saving and orthopedic rooms. Although the students in these rooms are usually able to attend regular classes, their homeroom is fully equipped to carry on classes. The sight-saving room is specially lighted, and has typewriters with large type. Talking books make lessons easy.

Central is certainly fortunate in having these services open to its students.

Well-lighted rooms and talking books are definite helps in the sight-saving room.

Miss Rosenbaum checks the G.A.A. list.

The directors confer over the program of the week.

Miss Albright gives a lesson on how to be a successful cake baker.

Faculty Are Members of the Human Race

Seldom thought of except as classroom tyrants, teachers really are human. They have their hobbies, recreation, and studies just as the student does. In a poll of Central teachers, sports and traveling were ahead in the hobby division; theaters and concerts in recreation. During the summer many teachers attend colleges throughout the U.S. to earn their degrees and get their share of torment, too!

Miss Giles, Miss Spickard, and Miss Matson enjoy a good laugh at the P.T.A. card party.

Mr. Juska gloats over our well-filled trophy case.

Miss Ziegler, Mr. Hunter, Mr. Burns, Miss Poshard, and Mr. Durham wait for the beginning of the watermelon race.

Miss Matson and Mrs. Hale add to the sensational Field Day sights.

The "Rec."

There is no Lack of Fun at P.H.S.

The Rec, after-school gathering place of Centralites, is run by Committee of Forty which also stages many dances—the masquerade at Hallowe'en, the vice-versas, and the free dances in the gym.

Sponsored by Student Council, Field Day was enjoyed by both students and faculty. Tugs-of-war, races for boys and girls, and a watermelon race between faculty members and students contributed to the huge success of Field Day.

Committee of 40 presents

The Water Ballet Class goes through its formations.

Upper-classmen are on the outside looking in at the Freshman Frolic.

Freshman and Sophomore boys engage in a battle royale!
the first vice-versa of the year.

This is the P.T.A. card party — but there's something wrong with that hand.

A Cappella Choir brightens the halls before Christmas.

The String section of the orchestra rehearses for a contest.

Lou Rittschof's band plays for an assembly.

Students with Talent Receive

The choral department gives many concerts during the year, for school and also for public groups. Among these was the Musical Extravaganza presented for parents and friends. An added honor was the invitation to the National Music Contest in Milwaukee, Wisconsin.

Two of our hardest working organizations are band and orchestra.

Dick Kataoka—Fritz Kreisler the second—makes sweet music.

At the Musical Extravaganza Girls Choir sings "With A Song In My Heart".

Recognition, Present Programs

Competing in state-wide contests, these students have won many honors.

Made up of students who wish to gain experience in the entertainment field, Talent Board gave several programs. Through the varied acts, new talent has been added to the list of Central Stars.

The Bittersweets make sweet harmony for Talent Board's Christmas Assembly.

"Twas the night before Christmas," for Marilyn Dawson.

Boys Glee Club is "Home On The Range" at the Extravaganza.

College Day — a day of decision for seniors.

Seniors Will Long Remember Notable Events

Here is the Class of 1953. We have pictured some of their many activities on these pages. Among these were the Junior Prom—"April In Paris", the class play—"The Little Dog Laughed", and the Senior Hop—"Senior Memories".

Under the junior president, Roy Kern, and Tom Kennedy, senior prexy, this class has left an impression on the school which will remain for years.

A day of preparation for under classmen.

Senior Gyp Day — and today it's official.

A glimpse into the future world of business.

Dance the Purge Polka and forget your troubles!

Miss Spickard and the student directors, Jackie Furst, Margaret Burroughs, and Leanne Stone, gloat over the success of the Senior Class Play.

Barbara Wohlfarth views Bryan

Dramatics Entertain

"The Little Dog Laughed" and so did the audience when they saw the hilarious antics of the Huntington family! Everyone who saw or participated in this Senior Class production will readily say that "Spick" and the cast put on a professional show.

Dramatics class presented a play for the Children's Theater. This delightful fantasy was entitled 'Papa Pompino and the Prizefighter'.

At the Children's Theater, Humpty Dumpty has just saved the day by knocking Burly out.

Hail to Our Champions!

These pages are dedicated, not only to all Central Champions, but also to those players and teams who worked hard, but did not gain recognition.

This year we had a winning basketball team which blazed a trail of glory through the Regional and Sectional Tournaments, and then defeated Highland, West Frankfort, and Schlarman to wind up as the second-place team in the Sweet Sixteen tournament!

Our swimming team was Big Twelve Champ.

In addition Ned Loar holds the state record for the 200-yard freestyle.

Our football team had a fine record, and topped it off by beating Manual in the Turkey Day Game!

A Cappella was invited to Milwaukee for the National Music Contest.

In a sense, everyone at Central is a Champ for the magazine campaign to finance athletics was backed by everyone!

So to all the "Champions" of P.H.S. we say congratulations!

EVERYONE won in the magazine campaign.

PRISCILLA HERGET,
D.A.R. Award winner.

Loar, Nelson

Tucker, Dave

LOU RITTSCHOF,
D.A.R. Award winner.

A CAPPELLA CHOIR, chosen to sing at a sectional convention in Milwaukee in April.

ART CHAMPIONS received many prizes in competition.

HILES STOUT, all-state football and basketball champion, with football coach Tony Juska, and **JIM ASHBY**, all city football, all-state honorable mention in basketball.

OUR SWIMMING TEAM, led by Ned Loar and diver Dave Tucker, won the Big 12 championship.

Seniors Bid Fond Farewell to Students and Faculty

"It's June and school's out!" is the cry of vacation-bound students all over the United States. After long months in school, everyone is happy to be out. "It's been a grand school year", everyone writes in the Crests. "See you next September." The freshmen wait eagerly for next year's "Freshies" to arrive.

We who walk out the doors for the last time wish we were starting all over again. Maybe we complained, but we wouldn't have changed anything.

Welcome, Class of 1957. Goodbye, Class of 1953.

Oh, those finals! Jon Bergstrom doesn't look too happy.

We say goodbye to new and old friends.

Now, who is that?
Just try to guess.
It's not a doll, it's
Mrs. Chamness.

WHO DAT?

Twixt muddled mind
and wrinkled brow,
We recognize Miss

Look at Miss Rosen-

Just find a heart that
she wouldn't win.

Miss Coppock, as a
child, melted many

Now, through today's
kids she does her part.

Miss Giles has grown
up to be so wise.
But even as a child,
she'd win a prize.

Did you know Mr. Suffield
could really cook?
If you don't believe it,
just take a look.

Miss Kinhofer's classes
do this and that.
But here is a novelty,
dissecting a cat.

Recognize these
familiar faces?
We wonder if "Szep's"

SENIORS END ACTIVE QUADRENNIUM AT P. H. S.

Senior Hop and Play Were Big Successes

Although the Seniors have completed their high school days and perhaps some of the events have grown rather dim in their minds, there are some things they could not forget. This year, through the combined efforts of many Seniors and faculty members they produced their class play, "The Little Dog Laughed", which was a true "hit" in every sense of the word. The "Hop" was a huge success and smiles will appear as in the years to come they remember the burst of clapping that accompanied the crowning of the Queen at the climax of the evening.

The Junior Prom Drew A Large Crowd

Junior memories included the choosing of class rings and their "Prom". The few weeks before the Prom there were none busier than they—selling tickets and attending different committee meetings. Their labors were well rewarded for the dance was a glorious affair.

Sophomore Stunt and Freshman Frolic Main Events

Among sophomore remembrances were stunt shows and in the freshman year in the accompaniment of a "big brother" or "big sister" they stared in wide wonder at the happenings at P. H. S.

Thus as the Senior classmen leave to join various walks of life, they will always be thankful for the doors to new experiences and opportunities which were opened for them here.

P.H.S. QUIZ SHOW

THE JUNIORS PUT THE QUIZ KIDS TO SHAME

By their third year, all Juniors are firmly established at Peoria High School. They are acquainted with the faculty and their classmates and are able to contribute to the betterment of the school.

What has the Junior Class done to help the school? The school has selected two very capable leaders of the Junior Class to be President and Vice-President of the Student Council and to therefore serve the school. The choice of the newspaper and yearbook editors from the Junior Class promises that they will be better than ever next year.

Has their third year been a success? Looking back over the past year there can be no question as to whether it has been successful or not. Starting right off, the Juniors won the Stunt Show. The decision was close, and the class was very proud of the honor. In all sports many Juniors showed the school that next year is going to be just as good if not better than this year. With Jerry Green leading the way in honors with many others right behind him, the opponents of Peoria High aren't going to beat us next year.

What was the most important achievement of the Junior Class? The highlight of the year was the Junior Prom. With Gary Colboth, our President, leading the committees, the dance was very successful. Hat's off for a wonderful job.

The Juniors wish the outgoing Class of '53 the best of luck in all their future activities.

THE UNITED NATIONS AT PEORIA HIGH

Even in a school the size of Peoria High School, we find students of many different nationalities. Left to right in this picture are Keith Dobson, from England; Radka Harisan, born in Bulgaria; Phillip and Peter Lee, from China; Benjamin Garber, who came from Poland; Anita Cahill, born in England; Marion Blumenthal, who lived in Holland; Inge Lippman, from Germany; and Helen Easton, who came from Austria.

THE SOPHOMORES HAVE A VARIETY OF TALENT

The Sophomores now know the fundamentals of the school and participate in more activities than they did as Freshmen. This year the Sophomores made a splendid showing in the Homecoming Stunt Show. They are going to prove to be a threat next year.

In the Sophomore year students are working hard both scholastically and on extra-curricular activities for the recognition they will receive in their last two years. Already there are certain individuals that stand out in a variety of fields. In the entertainment field are Bill Baumflek, the second Arthur Godfrey, and Marilyn Andersen, whom we all know as the Ballerina of Peoria High School. In sports there are so many outstanding athletes that it is impossible to mention them all here.

The Sophomores have found many friends now among their classmates and are reaching their personal goals.

The celebrated Doctors of Frogology take time off in their work on the frog's brain to have a photo taken!

THE FRESHMEN STUMBLE INTO P.H.S., THEN REGAIN THEIR BALANCE

In their first year at Peoria High, the Freshmen must become accustomed to an entirely new way of life—the life of the high-schooler. In doing so they are bound to make mistakes. Each Freshman could probably relate at least one embarrassing moment. Remembering our own first year, we know that the other classes are laughing with the Freshmen, not at them.

Each Freshman has been busy adjusting himself to high school both scholastically and socially. He has learned to study, and still have time for fun. To give the Freshmen a boost and to speed them on their way, their parents sponsored the annual Freshman Frolic at the beginning of the year. From then on they were on their own. Working hard together, incidentally, they made a magnificent showing in the stunt show.

Next year the Freshmen will carefully watch the new green additions to the school, and will be saying, "You mean we were like that when we were Freshmen?"

LOU RITTSCHOF

President of Student Council

Lou Rittschof, the President of the Student Council of Peoria High School, is a student who has proven to be very capable in every job he has undertaken.

Lou has played a part in many school activities other than those of the Student Council. We have seen him in our band, his stories have appeared in our Opinion, and he is a member of Key Club.

Lou has had a very successful year as President of our school. His accomplishments will be long remembered by all who knew him and experienced his leadership of Peoria High School.

According to Peoria High tradition, several well-qualified junior students ran for election to the office of Student Council president. Visitors to the halls were intrigued by the attractive posters publicizing the campaigns, and the skits were well thought out and presented.

Candidates and their managers were Nancy Baer, managed by Tracye Hubble, Dan Damon, managed by Margaret Burroughs, Barb Lauderdale, managed by Hile Stout, Jim Solomon, managed by Fred Rubey, and Audrie Suffield, managed by Don Drummond.

The CREST Helps

When the Crest has finally been sent to the printer, all the members of the Crest staff heave a sigh of relief for their deadlines have been met and all that remains is a chance to sit back and think about the previous year of hard work: soliciting ads, making red-outs, typing copy, sketching spot illustrations, and taking pictures.

The Crest staff, made up of four departments, art, editorial, business, and photography, begins work right after school starts with weekly meetings to decide on a theme and a design for the cover. After the theme has been decided upon, there is the tedious job of making layouts for all the sections of the book. Each section editor must design a page layout for her section and submit it at a Crest meeting. Then she can start to work on her write-ups and pictures. The section editors must constantly be on the look-out for material for pictures. Then long hours of checking and re-checking the names of students, proof-reading type-written copy and printed copy begin.

P.H.S. Students Recapture Memories

After each section is on the road to completion the index is begun. Each picture must be searched carefully so that every person will have his name, with each page, in the index. Then the blue lines are returned for a final check, and the book is sent to the printer and binder to be finished.

As spring fever sets in, students anxiously await Crest Day. Finally it arrives with every student asking for the autographs of his friends. After a year of hard work, but fun, the Crest staff closes the cover of another beautiful yearbook for Peoria High School.

Behind the scenes of every assembly from our pep meetings to the huge extravaganzas is the Stage Crew. Besides donating most of their study halls and free periods to the stage they put in many hours after school, at night, and on Saturdays so that we may have the fine assemblies we do. Congratulations to the football team for the best record in ten years! Not only did the hard-fighting Lions defeat seven of their eleven worthy opponents, but they succeeded in overcoming the Manual Rams for their first Turkey Day victory since 1947.

Among those who won honors for their playing ability were Hiles Stout and Jim Ashby. Central may well be proud of Hiles who was chosen to be a member of the all-state team, Jim who was the Big Twelve scoring champ, and Vern Petty who along with Hiles and Jim was a member of the all-city team.

Mr. Juska looks very satisfied as he presents the Tin Can Trophy to a member of the defeated Manual football team.

HAIL TO THE SWEET SIXTEEN BASKETBALL CHAMPS

The big news around the sports field this year was the championship basketball team coached by Dawson Hawkins. With seemingly very little effort the boys captured the City and Greater Peoria Titles and tied with Bloomington for Big 12 honors. With the Sweet 16 tournament as their goal, the boys romped through the district meet and galloped through the Sectional. The old superstition about Friday the 13th being unlucky didn't seem to apply in this case, for on that night the team defeated hard-fighting Normal Community to win a berth in the state finals.

The Lions roared into the quarter-finals of the Sweet 16 tourney with an 81-53 triumph over Highland in their first appearance. In the quarter-finals against West Frankfort it was a dra-

matic finish that pushed Central into the semi-finals. A basket by Hiles Stout in the final three seconds of play did the trick and PHS won 70-68. Posting a 66-58 decision over Danville Schlarman, the Lions qualified for the finals of the tournament for the first time since 1927. By scoring their 29th win against 3 losses for the season the boys gained the chance to go against undefeated LaGrange for the state title. In this heartbreaking game, the courageous Lions just couldn't seem to catch up with this mighty LaGrange team and they were defeated 72-60 to place 2nd in the state. In spite of this last defeat the season's record of 29 wins and 4 losses will long be remembered in the hearts of Peoria-area fans.

Sophomore Jerry Lewis threw some really remarkable shots from 30 to 35 feet out and he made them, too!

Jerry Lewis

Hiles Stout

Words cannot praise this all-state Hiles Stout too much. A terrific rebounder, he had the honor of being the highest scorer in the state for the 1952-53 season.

Harold Douglas' name was often found in the high scorer column right under Hiles Stout.

Big 6 foot 5 inch Alan Swanson helped his team on many occasions by getting those rebounds.

The good shots and rebounding of Jim Ashby will certainly be missed when this first-string senior graduates.

Another valuable member of this championship team was little Jerry Green, a good offensive player.

A CHAMPIONSHIP BASEBALL TEAM WINS IN GREATER PEORIA COMPETITION

THESE BOYS TIE THE ALL-TIME RECORD FOR FRESH-SOPH BASKETBALL AT PEORIA HIGH

This group of hard-playing freshmen and sophomore boys tried valiantly this year to steal the spotlight from the second place in the state Varsity Champs. They tied the all-time fresh-soph record by winning twenty games out of their twenty-three attempts, a record which, incidentally, was set last year, 1952. Coach Saur suggests that everyone should keep his eyes on these aspiring young men, for from this group will be selected most of the future Varsity basketball team and if their year's record is any indication of what they can do, expect them to bring home more trophies from the State Sweet Sixteen Tournaments. We'll be watching them and we wish them the best of luck!

The 1952 track team, captained by Sam Dixon, captured a remarkable record of five wins out of six attempts. Although the boys only placed tenth in the Big Twelve Conference Meet, they were first in the Delavan Track Carnival. Fighting valiantly, the team won fourth place in the District Meet and third place in the Greater Peoria Meet.

Prominent among his team mates was John Dismuke, the broadjump champion of the Big Twelve Conference. With most of the lettermen returning this year, Mr. Myers is sure of another great season.

A winner leaps to a photo finish.

Grim determination seems to be helping these boys over the low hurdles.

CENTRAL'S TANKMEN NAB FIRST PLACE

IN BIG TWELVE SWIM MEET

Dave Little

Mr. Yuhouse and his two record-breaking swimmers,
Dave Tucker and Ned Loar, rest after a meet.

Returning to the throne room of Big Twelve swimming were the Central Tankmen, gathering 43 points at the annual meet. Peoria High took first place in four of nine events with Ned Loar being the only double winner as well as the only record-breaker.

Sweeping to victory in the 100 and 200 yard freestyles, he also set a new conference record in the 200 yard freestyle with a time of 2:07. Other Lion winners were Harry Hoffman in the 40-yard freestyle and Dave Tucker who turned in one of the major surprises with his victory in diving.

Central, capturing a sixth place finish among the thirty-two schools entered in the State Meet, was again proud of Ned Loar who grabbed top honors by winning first place in the 200-yard free-style contest.

CROSS-COUNTRY TEAM RUNS IN STATE MEET: SHIVELY WINS MEDAL

Mr. Deal's cross-country boys ran in three dual meets, a Big Twelve meet, and the district meet this year. A record of two wins and one loss was gained in dual meet competition. The harriers ran second to Danville at the Big Twelve meet and were again second in the District meet with Woodruff taking home the bacon in that race.

Congratulations are in order for Jim Shively who was the first Peoria High runner to ever place in a State Cross-Country meet. With only one member of the squad graduating this year, Mr. Deal has high hopes for next year's team.

Fortunately all the boys on this year's team were underclassmen, so Mr. Juska counted these as practice matches and, of course, he has high hopes for the 1953-54 season.

Credit for a winning season goes to our 1952 tennis team. In addition to winning seven of their regular meets, they placed second in the District Meet at Peoria and fifth in the Big Twelve Meet at Bloomington. Only one of the squad's seven lettermen graduated last year so Mr. Hawkins is looking forward to another successful season in 1953.

RICH CLOPPER VOTED THE MOST VALUABLE PLAYER OF A VERY SUCCESSFUL GOLF TEAM

Another of the many athletic teams which have brought glory to Peoria High was the 1952 golf team, coached by Mr. Juska. The team's lettermen, Bruce McConnell, Phil Hoag, John Green, Bud McIntire and Rich Clopper, were captained by Ken Walters, a two-year letter winner himself. Voted the most valuable player on the squad was Rich Clopper, a four-year letterman.

In the Quincy Invitational tournament, the team pocketed a first place trophy by defeating ten out of ten teams and again won first place in the District Meet at Bloomington with Rich Clopper turning in the best performance of the day. Although the boys didn't do quite as well at the State Meet at Champaign—they placed seventh—the total number of wins for the season quite exceeded those lost. Mr. Juska, as well as all Peoria-area golf fans, was extremely proud of the team and we wish them good luck in trying to duplicate or better the record when they play in 1953.

G.A.A.

This organization is composed of girls from all four classes who are interested in sports. They meet after school on Tuesday and Thursday of each week. They not only have fun, parties, and sports, but they also have a chance to practice fair play, tolerance, and leadership. Letters are awarded to girls who have the sufficient number of points.

G.A.A. is a state sponsored organization. Members raise money by selling pencils imprinted with schedules at the beginning of each season, and by paying dues. The President is Priscilla Herget. Miss Masocco and Miss Rosenbaum are the advisors.

THIS PEPPY PEP CLUB ADDS TO SCHOOL SPIRIT

As able assistants to the cheerleaders, these eighty junior and senior girls are present at all our football and basketball games. The Path To Your Success Is Here At BRADLEY UNIVERSITY!

Bradley, as one of America's strong medium-sized universities, combines the advantages of the very large university with the personal attention provided by smaller colleges. The chief of the division of higher education, National Education Association, recently stated "Bradley has the highest rating that an institution can achieve in the United States."

Extracurricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers over 800 courses in over 50 areas of study. Its free lecture-arts series is not surpassed in any university in the United States. The University is accredited by all the major accrediting agencies.

Under the new "Bradley Plan," a student is given the opportunity to combine his regular college education with military

training in the university's Air ROTC. If his college and military work is creditable, he has a chance for deferment until graduation and for gaining a reserve commission, upon graduation, as a ground forces officer in the Air Force.

for your hands...

It's a big, wide, wonderful world and we give it to you with our blessings. Our fathers gave it to us a generation ago. They told us it would be what we chose to make of it.

They made it very plain that an education didn't entitle us to any more of this world than anyone else; merely that with an education we'd be better equipped to face it, meet its challenges.

Our fathers told us we'd stand a better chance with an education, and that we'd get more out of life. It was true then, and it's still true now. And then, as though sensing an unspoken thought, our fathers added another word of caution.

"Nor is an education a substitute for hard work," they smiled. "It's just a great help in that work."

We offer you the same words as those we received. We offer you the same world, slightly changed, but essentially intact. It's for your hands to improve.
